Make your Mark on History

Deadline Extended due to Popular Demand!

For a limited time you have the opportunity to support the Fairbanks House with the purchase of an engraved paver. Your dedicated paver will be showcased at the start of our new walkway and be a part of the historic Homestead for generations to come.

For each donation of ***$50*** or more you can engrave up to three lines of text on one of our 4 x 8 pavers. Lettering will be sandblasted with a Lithochrome coating for a classic, etched look and sealed with a durable, clear protective coating.

Please fill out and return the form below to take advantage of this unique opportunity and help support the oldest timber frame house in North America. Please use separate forms for multiple orders. Pavers can also be ordered online at ***www.fairbankshouse.org***. Space is limited and pavers orders will be placed on a first-come, first-serve basis and will be installed in late fall and early spring.

Sample wording:	In memory of Grace Fairbanks	The Fairbanks Family Dedham, Ma	John and Mary Fairbanks 2012

Please print clearly up to 15 characters per line (spaces and punctuation are considered characters) ***exactly*** as the engraving should appear:
