THE FAIRBANKS FAMILY IN AMERICA, INC.

WHO WE ARE

The Fairbanks Family in America (FFA) is a non-profit association incorporated in 1903 and organized to own and preserve the Fairbanks House in Dedham, MA. Built circa 1637 for Jonathan and Grace Fayerbanke and inhabited by their descendants until 1904, the house is furnished with objects donated by members of the family. The Museum offer hourly tours May through October on Wednesday through Sunday from 10 am to 4 pm. We maintain an expanding archive of information on the Fairbanks family including genealogical records, historic documents, and architectural information about the Fairbanks House. We work to educate members and the public about the history of the Fairbank(s) family. We are governed by a board of directors, and we host a family reunion each year since 1902 on the grounds of the Fairbanks House.
